

## Approval Certificate

This is to certify that BTTG Testing & Certification Ltd, specified as a "notified body" under the terms of the Merchant Shipping (Marine Equipment) Regulations 1999, did undertake the relevant approval procedures for the fire retardant treatment product identified below which was found to be in compliance with the MCA Large Commercial Yacht Code for the products and tests detailed.

Eco-Sol Ltd  
Cardiff House  
Cardiff Road  
Barry, Vale of Glamorgan  
CF63 2AW

MVM  
The Old Bakery  
Lowford  
Southampton  
SO31 8EQ

Product Code: Flametect NX2

Application: To meet Maritime applications the treatment is applied as 10g per 100g/meter square of the dry weight of the material being treated. The treatment is applied using a pressurised trigger spray to achieve a fine spray pattern when used at a distance of about 250mm.
